Parks and Trails

The City of
Fairfield Parks
and Recreation
Department

maintains most of the parks in the city and offers many activities and services to the community. You can book a park shelter or a whole park. Come work out at our indoor fitness facility with state-of-the-art cardiovascular and weight training equipment. In addition, we offer a wide variety of fitness and aquatic classes that are included with your membership, or you can pay as you go. We have many youth activities including gymnastics, soccer, basketball, volleyball, trampoline, track, day camp, little tumblers and swimming lessons. Throughout the year, we offer many seasonal activities to the community, such as walks, runs and triathlons, adult leagues, and much more!
