

WE WOULD LIKE TO HEAR FROM YOU!

The City of Fairfield is considering improvements to our garbage/trash collection service. Please let us know how you feel by taking the short survey posted on the City of Fairfield website at <http://cityoffairfieldiowa.com>. If you prefer, you may return this paper version of the survey to City Hall. Please respond as soon as possible. Thank you for your input!

SURVEY OF FAIRFIELD RESIDENTS

Apart from recycling and lawn waste, residents are currently allowed to dispose of two 33-gallon containers of trash per week. Any additional container or bag must have a Jefferson County Waste Reduction Tag (Orange Tag) attached to it; the tags cost residents \$1.00 each.

Please check below all that apply:

I am interested in being able to regularly dispose of more trash without needing to attach a tag.

I am willing to pay an additional \$1.50 per month to rent a 96-gallon wheeled cart to hold my trash, the same size as the current recycling cart. This would allow me to dispose of 30 gallons more per week than presently allowed.

I am satisfied with the current trash collection system.

Please provide any comments you would like to make.
